

## **DRUMSHEUGH BATHS CLUB. LIMITED**

Dear Member

The Board is looking forward to welcoming you to the AGM on the 29th of November.

The Club continues to operate well under the management of our General Manager Paul Dunlop and his team. With healthy membership numbers and the introduction of a waiting list, the Club is thriving.

We have recently been advised by Edinburgh World Heritage that we have been successful in our application for grant funding to assist with the cost of implementing the external works identified as necessary in the quinquennial review of the building. This has been a long process, and at the time of writing we are still to see detailed terms, but the Board is delighted to have reached this stage, and subject to completion of EWH's formalities, we hope these works will commence in spring 2024.

On behalf of the Board, Paul, and the staff, I would like to thank you for your continued support of Drumsheugh Baths Club.

Carol Keith  
Chair
